Our Welcoming covenant was approved unanimously and has been received by the Open & Affirming Coalition of the UCC. We will soon be recognized on the National website as a church that welcomes

all people, of all genders and orientations. Our covenant reads:

We, People's United Church of Christ, embrace diversity, affirm the dignity and worth of every person, to celebrate and live in openness, promote social justice, healing, and wholeness of life. We commit ourselves to being an open and affirming community. We welcome persons of every gender, sexual orientation, gender identity and expression, mental and physical ability, age, race, ethnicity, culture, nationality, economic and social status, faith background, and family structure, to share in the life of this church, its worship, rights and sacraments.

No matter who you are, or where you are on life's journey, you are welcome in this United Church of Christ.
